A black and white manga-style illustration. In the foreground, a woman with long, dark hair is running away from the viewer towards a large, modern building. She is wearing a light-colored, short-sleeved top and a patterned skirt. The building is tall and has a distinctive architectural style with many rectangular windows and a series of horizontal bands. The building is illuminated from within, and there are some lights visible on its facade. To the left of the building, there is a large, curved structure that looks like a part of a bridge or a large umbrella. In the background, there are some trees and a dark sky. A speech bubble is located in the upper right corner of the image.
